FOREWARD

The purpose of this book is to furnish the community with a better insight into the student life of **Morral** High School.

This is the first annual published in the history of The Morral School system and we have taken the responsibility of originating what we hope will become a **regular** custom. We know that time improves all things and we feel sure that each successive issue of this annual will be better than the last.

Now, a word of explanation as to the choice of a name:

Local historians who remember details of the origin of this community will tell you that the founder of the town of Morral was the son of Captain William Morral, who was an officer under General Hull in the War of 1812.

The town was laid out in 1874 on land owned by Captain Morral's son and named in his honor.

So it is with respect to these leaders of the past that we publish this high school annual and entitle it "The Captain."

RECEIVED

The purpose of this book is to provide information
to the student in the field of history.

This book is a first and a second volume in the series
of the history of the United States. The first volume
contains the history of the United States from the
beginning of the world to the present time. The second
volume contains the history of the United States from
the present time to the future.

The first volume is a history of the United States
from the beginning of the world to the present time.

The second volume is a history of the United States
from the present time to the future.

The third volume is a history of the United States
from the future to the present time.

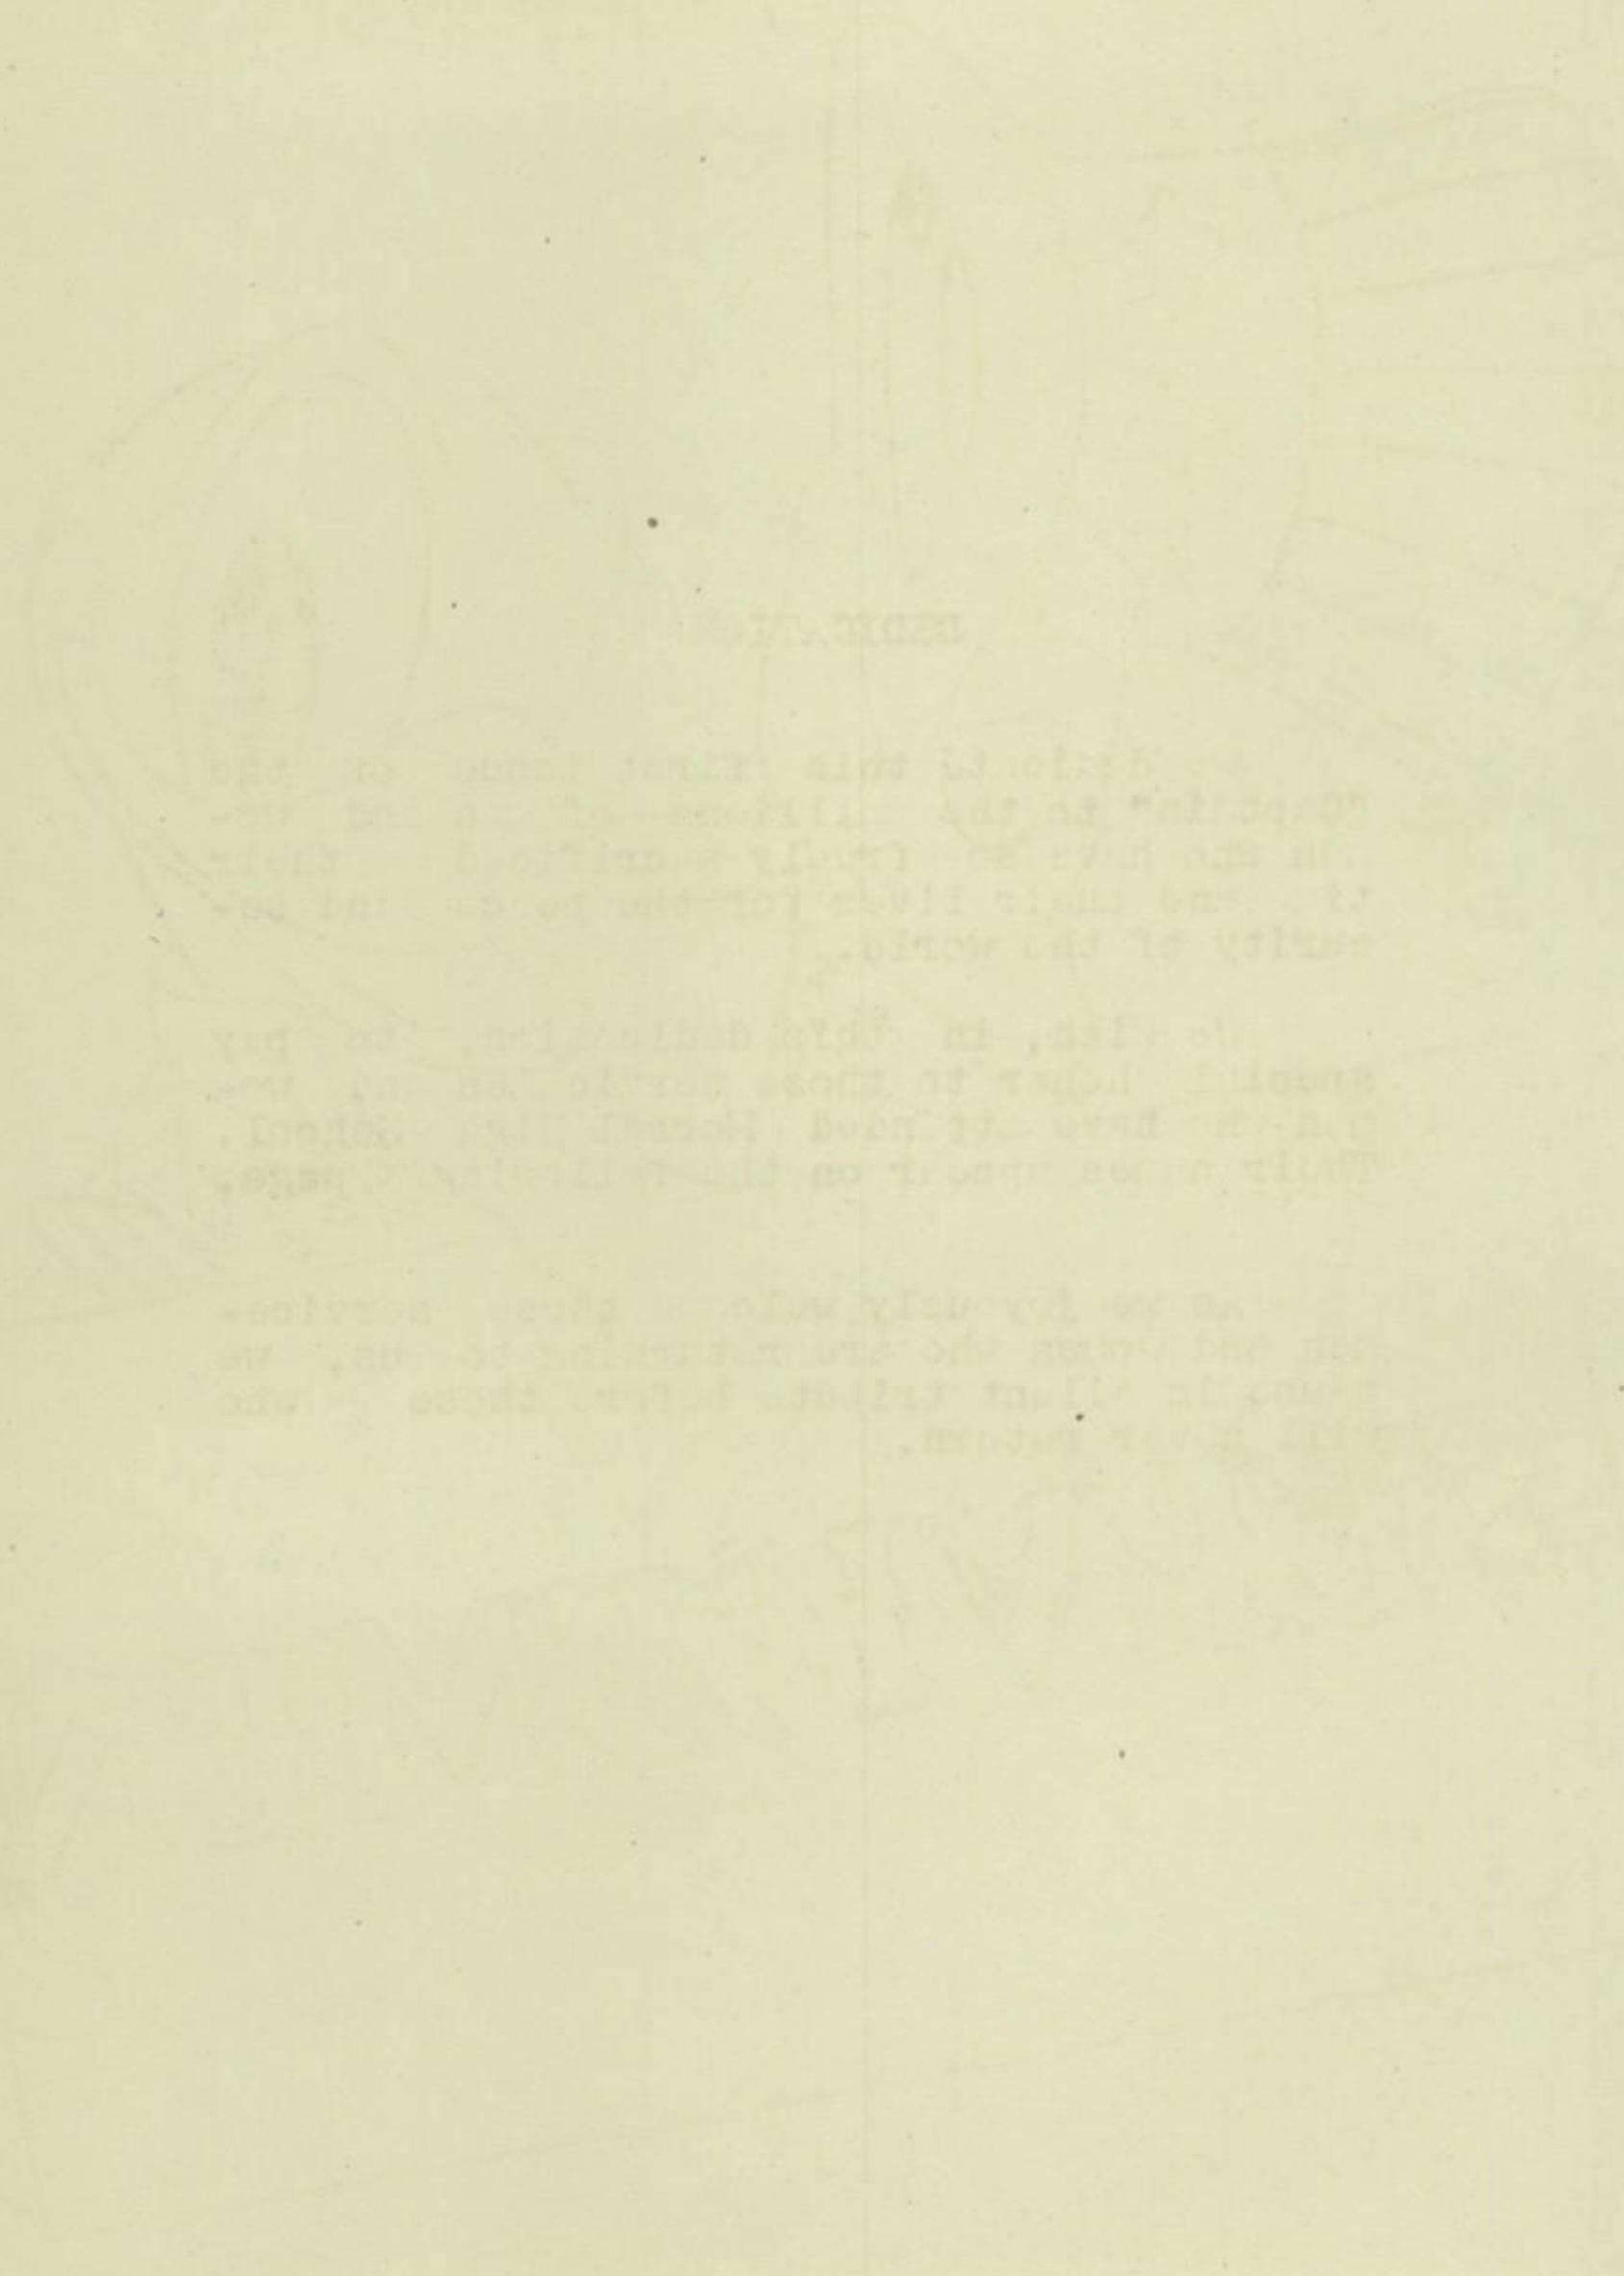

The fourth volume is a history of the United States
from the present time to the future.

DEDICATION

We dedicate this first issue of the "Captain" to the millions of men and women who have so freely sacrificed their time and their lives for the peace and security of the world.

We wish, in this dedication, to pay special honor to those servicemen and women who have attended Morral High School. Their names appear on the following page:

As we joyously welcome those servicemen and women who are returning to us, we pause in silent tribute before those who will never return.

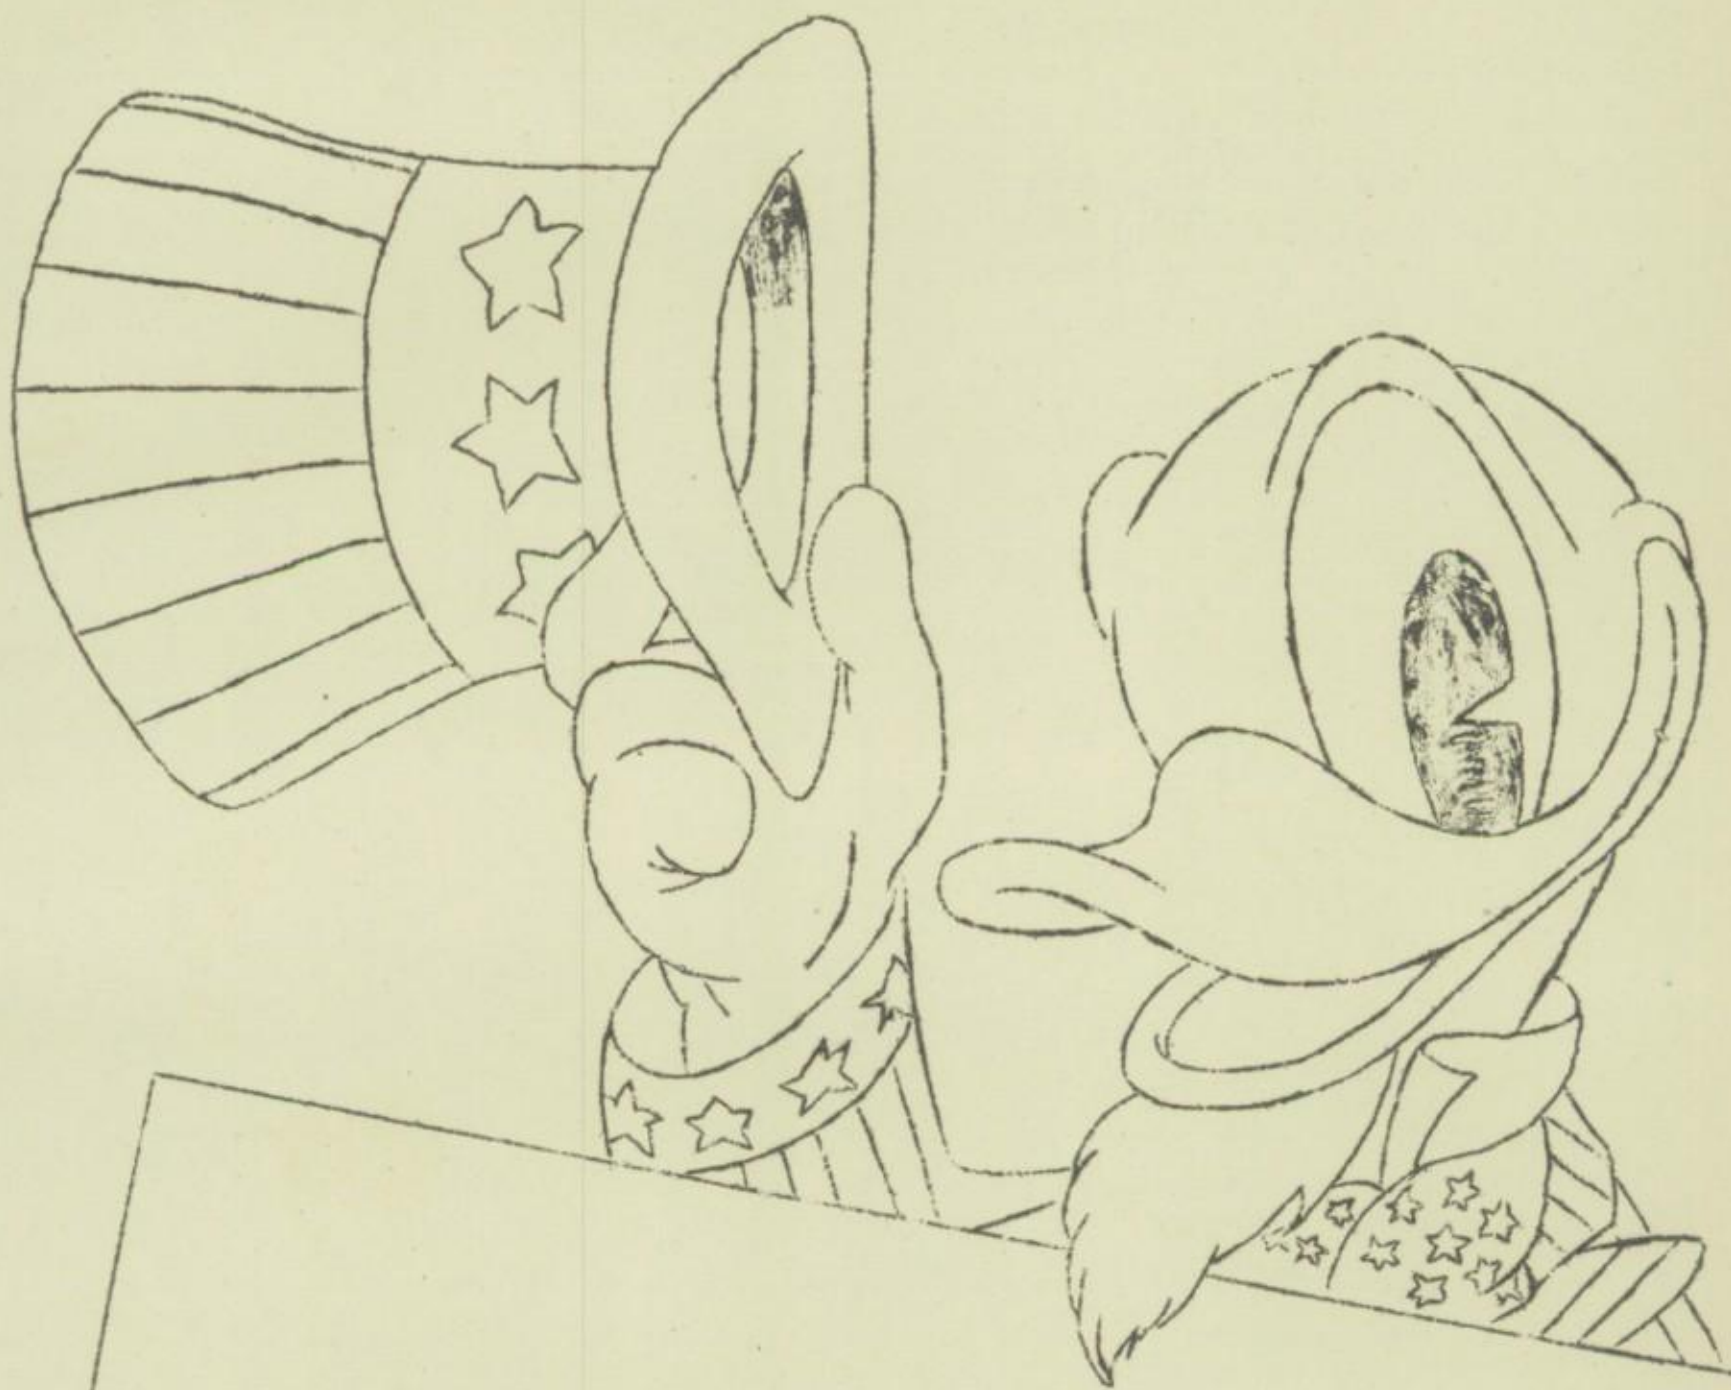

DECLARATION

I, the undersigned, do hereby declare that the information furnished by me is true and correct to the best of my knowledge and belief, and that I am not aware of any facts which would render the same misleading or incomplete.

I further declare that I am not a party to any conspiracy or combination, and that I am not acting in concert with any other person or persons in the commission of any act which is prohibited by law.

I declare under penalty of perjury that the foregoing is true and correct. I declare under penalty of perjury that I am not a party to any conspiracy or combination, and that I am not acting in concert with any other person or persons in the commission of any act which is prohibited by law.

ONLY SIX

Only six seniors, but who can say,
What those six seniors may do some day.
Six chances to serve their country and world,
To help keep their country's great flag unfurled.

Only six seniors, but who can say,
What those six seniors may be some day.
Each one a star in his corner of life,
Statesman, scholar, farmer, or wife.
Doing their best where falls their lot,
Living full lives without blemish or blot.

Only six seniors, but who can say,
Where those six seniors may go some day.
The Far North, the East, or the Isles of the Sea,
The field of their future labor may be.

Only six lives, but who can fore-see,
How very rich those lives may be
If service to others is their motto in life.
So here's to each senior, do your best to go far,
Keep your feet on the ground and your eyes on your star.

Ann Schmeltzer

ONLY SIX

Only six senators, but who can say,
That these six senators may be some day,
Six senators to serve their country and world,
To help keep the country's life bright and clear.

Only six senators, but who can say,
That these six senators may be some day,
I do not know in the corner of life,
But I do know in the corner of life,
That I do know in the corner of life,
That I do know in the corner of life.

Only six senators, but who can say,
That these six senators may be some day,
The four North, the four South, the four East,
The four of each side, the four of each side.

Only six senators, but who can say,
How very few these six senators may be,
It is not to be in the corner of life,
To have a corner in the corner of life,
To have a corner in the corner of life,
To have a corner in the corner of life.

CLASS HISTORY

One bright sunny day in September in the year of our Lord 1942, 16 trembling Freshmen hopefully entered the institution of higher learning housed in what is commonly known as Morral High School. Before we were allowed to settle down to a high school life we were forced to go thru a grueling initiation ceremony. Besides the rigid requirements which we complied with during the day-time we were compelled to recite Mother Goose rhymes in our best 3 year old voice and to sing weird and wonderful songs at the evening party. That day was indeed a memorable one, in fact that memory had to last a long time as initiations were discontinued until this year. (you may draw your own conclusions from that statement.) At long last we could plunk our books into a long coveted study hall desk.

The ringing of school bells sent a class of 15 Sophomores running to assemble school books with a high resolve to make another stab at wisdom. The annual harvest of Grand Prairites netted this class only 2 students. We were very grateful for their appearance, however, because they bolstered our fast thinning ranks, and helped us through another year in grand style.

Our Junior year was started with a bang. The Junior and Senior classes were co-sponsors of a Lawn Festival. We had planned to hold this on the lawn, naturally, but Mother Nature failed us and we withdrew to the gym. This enterprise added a tidy sum to our ever hungry treasury.

As the autumnal breezes of 1944 sent the red leaves staggering to rest, 12 Juniors staggered into the familiar halls of Morral High School to shoulder their weary load of books. The first important event of this year was the annual Junior Play. After one look at her 12 problem children our director threw up her hand in dismay and fled from the scene in terror. Miss Hacker came to our rescue and we finally managed to produce a creditable play. We hear that Janie Bishop's role made such a lasting impression that she is still keeping in practice by fainting frequently.

Basketball fans will recall the persistent effort of the Junior girls in trying to sell COKES! HOT DOGS! etc. at all games. There was a great deal of fun connected with it and no one felt cheated at missing the games.

The crowning event of the year, so far as we were concerned, was the Junior-Senior Banquet. We at last decided to hold it at Detrick's Inn in Marion. (um, wonderful food!) The retiring Seniors were horrified as each was called upon to recite his own class history. This unusual procedure turned out quite well despite the fears of

The history of the class is a story of growth and achievement. From its humble beginnings in the early years, it has grown into a vibrant community of learners and teachers. The class has been blessed with many dedicated teachers who have nurtured the growth of their students. The students, in turn, have shown remarkable resilience and determination in the face of challenges. The class has achieved many milestones, from its first steps to its current status as a leading institution. The future is bright for the class, and we are confident that it will continue to thrive and grow.

Ray Weston who had left the all important document at the school. (Methinks that should be the fate of this class history.) A grand evening was climaxed with a movie at the Palace Theater.

Upon returning to the grind in the fall we were greeted with many bewildering changes. There were three new faces among the faculty and no matter how many times we counted noses among the Seniors only five were to be found. What had happened?? Five people had deserted our fast sinking ship, but it was not long until we had righted our "ship of Students" and we were once again on our course. We welcomed one stray sheep back into the fold in January, which brought the total up to six.

In April the community caught sight of these six seniors in a play. This is another custom resurrected from the dim past. It had been a long time since the last senior play and this one could not have been produced without the help of the other classes.

At last comes the time when we, like the Arabs, fold our tents and silently steal away. Where have these last 4 years gone? That was in the minds of most of us as we marched in to take our places on the night of commencement.

This brings to a close the history of 4 years in the lives of 6 still hopeful people.

CLASS WILL

We, the Seniors of nineteen hundred and forty-six, being in sound mind and body, do hereby set our seal upon this, our last will and testament, on the thirteenth day of April, in the year of our Lord, nineteen hundred and forty-six.

We do hereby solemnly bequeath the following to the members of the Junior Class of nineteen hundred and forty-six, in the order hereafter mentioned.

Jane Bishop leaves her artistic ability to Norma Christensen, her charming ways to Mary Radel, preciseness to Vernon Neal, her dimples to Ann Smelzer, and her green ink to Howard Conley.

Marilyn Metzger bequeaths her scholastic ability to Pete Merritt, office work to Martha Buckley, dry humor to Jim Conley, attentive manner to Lowell Hensel, and her coffee drinking to Fred Baer.

Leona Leathem grants her quiet way to Jack Lill, her ready smile to Paul Wiley, calmness to Dick Granlee, willingness to Lowell Hensel, and her bells to Alice Rough.

Dale Hensel honors his pretty curls to Edward Schertzer, studiousness to Gene White, basketball skill to Don Saxton, and his walk to Richard Granlee.

Ray Cook bestows his tennis shoes to Virgil Hite, attentiveness in class to Paul Wiley, chewing gum to Ann Smelzer, slyness to Jack Lill, innocence (?) to Edward Schertzer.

Edith Williams gives her ready smile to Claribel Newland, her ear rings to Gene White, her secretarial ability to Edward Faurot, and her love of argument to Alice Rough.

CLASS PROPHECY

Welcome to the inner room of the studio of Madame Zaza Palmistry Expert. Lo and behold, but what have we here? It is Commencement Eve and these six have come seeking to have the Madame lift the veil of the future and reveal the fate of each.

Edith Williams is summoned into the presence of the all seeing Madame Zaza. After crossing the Madame's palm with silver, Edith's hand is seized. Making a thorough survey of the palm the Madame speaks: I see--I see this young lady perched on a high hill in the midst of a tobacco patch with the dark and muddy waters of the overflowing Ohio River swirling at her feet. You have returned to your "Old Kentucky Home" for relaxation from strenuous stenographic duties in the office of the pepper magnate, Peter Piper. Oh yes!! "Peter Piper's pickled peppers" are to be found on every well set table.

As Edith passes from the inmost chamber, Leona Leathem fearfully crosses the threshold into the future. The Madame smiles as she begins this reading. I behold a modest sign over a doorway "Look Lovely With Leona." I open the door and peer through the steam to discover Myriads of stewing women being carefully guided along the rough road to beauty. Overseeing this vast operation is Lady Leona herself. An exciting array of cosmetics has recently made its debut to the American Woman. Ladies from far and wide are flocking into exclusive stores to purchase Lady Leona Powders and Perfumes. Leona, happily emerges from her audience with Madame Zaza and guides a doubtful Dale Hensel into the very great unknown. The Madame frowns slightly as she scans this gentlemen's palm. She seems bewildered and asks a question. "Young man, what is your ambition? Dale, after some deliberation replies, "I dunno." The Madame closes her eyes and concentrates. At last she speaks: Two roads lie before you. At the end of one, paved with indolence and indecision, I see you, a weary and discouraged old man leaning on a fence rail. What has happened? No, don't tell me!! I see it all now, you are asked if you would like to receive the inheritance from your millionaire uncle's estate. Your answer: "I dunno" sent \$8,000,000 into the treasury of the home for "Ailing Airedales." The opposite road leads to the position of leading farmer of your district. Students from all over the country have made their way to this model farm. "It is up to you, sir," thus saith the Madame.

CLASS PROPHET

Welcome to the inner room of the studio of Madame X. As
Painting Expert. In and behold, but what have we here? It
is Comenent Eve and these six have come seeking to have
the Madame lift the veil of the future and reveal the face
of each.

Edith Williams is summoned into the presence of the
all seeing Madame X. After crossing the lady's palm
with silver, Edith's hand is seized. Making a thorough sur-
vey of the palm the Madame speaks: I see--I see this young
lady passed on a ship bill in the midst of a tobacco patch
with the dark and muddy waters of the overhanging Ohio Riv-
er swirling at her feet. You have returned to your "Old
Kentucky Home" for relaxation from strenuous stenographic
duties in the office of the paper magazine, Peter Piper. Oh
yes! "Peter Piper's picked peppers" are to be found on
every well-set table.

A Edith passes from the inner chamber, Laura Loshan
tentatively enters the threshold into the future. The Madame
seizes her hand and reads this reading. I behold a modest sign
over a doorway. "Look lovely with Laura." I open the door
and peer through the screen to discover a vista of a sweet
woman. Laura carefully studied along the road to beauty.
Everywhere this great operation is lady Laura herself. An ex-
citing array of accessories has recently made its debut to
the American woman. Ladies from far and wide are flocking
into exclusive stores to purchase Lady Laura's Powder and
Petitfleur. Laura, happily, emerges from her seclusion, with
Laura's face and Laura's double D. Laura into the very
great unknown. The Madame throws slightly as she seems
this woman's palm. She seems bewildered and asks a
question. "Young man, what is your prediction? Date, after
some deliberation please, "I cannot." The Madame closes
her eyes and concentrates. At last she speaks: Two roses
lie before you. At the end of one, paved with intentions
and intention, I see you, a weary and discouraged old man
leaning on a cane, tall. What has happened? No, don't tell
me! I see it all now, you are asked if you would like to
reverse the intention from your millionnaire wife's as-
set. Your answer: "I cannot" and \$5,000,000 into the
treasury of the home for "William's children." The opposite
road leads to the position of leading partner of your dis-
tinct. Students from all over the country have made their
way to this model farm. "It is up to you, sir," thus says
the Madame.

CLASS PROPHECY (CONT'D.)

Scratching his head, Dale totters away from Madame Zaza and points the way to Jane Bishop. The Madame has great difficulty in distinguishing the lines of this palm, because of the blotches of green ink on Jane's hand. Madame Zaza at last threads her way through this maze and begins her reading. "After many years spent starving in an obscure attic, you have overcome the most oppressive obstacles and establishing an art studio. This studio has become famous for the quantity of "Ducky" portraits which you have painted. Oh! so you would like to know what your hobby is? You make a substantial profit from the sale of "Janie's Jaunty Jingles", short poems which you are constantly scribbling on every available scrap of paper.

An impatient Ray Cook is at last ushered before the august Madame Zaza. She gingerly scrutinizes this young man's palm with a puzzled expression. There are many conflicting indications here,--Ah it is clear to me now. You will have two main careers. The first being that of president of a great chewing gum concern. Perhaps the greatest inspiration of your life came when you hit upon a slogan for your famous product: "Chew Cook's--Favorite of Crooks". At last you are forced to retire from this lucrative enterprise. All of the crooks have been jailed and thus there is no longer a demand for the product. Not to be discouraged you speedily convert the molds in your factory and begin production of tennis shoes from the remainder of the chewing gum mixture.

The last of the six in the waiting room is Marilyn Metzger. She has heard of the futures of her classmates and is nervously awaiting a revelation of her own prospective failure or success. The Madame wearily takes up this last hand and tells of Marilyn twenty years from now. She is peering near-sightedly at a volume of ancient history. There is a steaming cup of coffee at her side, and she is preparing a list of questions to be answered by her group of young hopefuls on the morrow.

Madame Zaza closes her studio for the night, well pleased with what she has prophesied in the lives of these six young people.

Rep. to Student Council.....	Jim Conley

We Juniors have taken part in several activities this year. We spent every game night yelling "cokes," "hot dogs," and "pop" "corn" at the hungry crowd. Our Junior Play was perhaps our most important activity. For the first time it was given two evenings instead of one and seemed to be a success. Our last important activity was the Junior-Senior Banquet held at the Hotel Harding on April 13. The decorations, food and entertainment made it a lovely evening.

We closed our full year looking forward to that wonderful trip to "New York."

JUNIOR CLASS PLAY

"Professor Pepp," a farcical comedy was presented by the Juniors October 25 and 26, under the direction of Miss Hacker. The Band and Orchestra furnished music.

The cast included:

Professor Pepp, a nervous wreck.....Richard Granlee
C. B. Buttonbuster, a giddy butterfly of 48.....Paul Wiley
Howard Green, his son who had the court
change his name.....Edward Schertzer
Sim Batty, the police force of the college
town.....Virgil Hite
Peddler Benson, working his way through
school.....Edward Faurot
Noisy Flemming, just out of high school.....Vernon Neal
Pink Hatcher, an athletic sophomore.....Howard Conley
Buster Brown, a vociferous junior.....Jack Lill
Betty Gardener, the professor's ward.....Norma Christensen
Aunt Minerva Boulder, his housekeeper
from Skawhegan, Maine.....Clarabel Newland
Petunia Muggins, the hired girl.....Gene White
Olga Stopski, the new teacher of folk
dancing.....Martha Buckley
Kitty Clover, a collector of souvenirs.....Alice Rough
Vivian Drew, a college belle.....Ann Smelzer
Irene Van Hilt, a social leader.....Mary Radel
Caroline Kay, the happy little freshman.....Dorothy Herbert

Act I: Professor Pepp's residence on the college campus. The opening day of school. A trip to Russia. Father comes to college. Disguised as his son hoping to enter college.

Act II: Father is hazed. Surrounded by the nihilists. Bombs and bunski.

Act III: A garden party by moonlight. Celebrating the football victory. Bonfire and parade. Father the football hero. The serenade. Aunt Minerva on the war path. A double wedding.

Loud laughter and applause was evidence enough of the audience's approval.

The Sophomores started the year with 19 members, lost one and gained one, retaining our original number. Our new class mate, Lola Murphy, is not in the class picture.

The Sophomores have taken part in a few activities this year. We sponsored a minstrel, "Top Hat," which was presented by the New Bloomington Music Department and made a few dollars for our hungry treasury. We have several on the basketball team; Freddie McCumber, Bill Darnell, Roger Augenstien, and Gene Radel on the reserve team. Gene Radel also was a substitute on the Varsity team, and Wilbur Messenger and Lloyd Miner are managers. Dorothy Jean Herbert is one of the cheerleaders and also had a part in the Junior Play.

We started the year with the freshman initiation. Our dress for the day varied from nightgowns to overcoats and we had to carry anything from doll babies to buckets of water. We ended the day with an assembly performing by dancing with brooms, eating chocolate pie blindfolded, and making impromptu speeches, etc. The upperclassmen gave a party for us in the evening that partly made up for it.

The freshmen are active in the Glee Clubs, Orchestra, band etc. We are proud of our two boys on the Reserve Squad, Dick Granlee and Jim Weston and our two managers, Ronald White and Bob Sloat.

The seventh and eighth grades began the year with twenty four enrolled in the room. Although there has been a shift in the students, we have retained that number but it has changed from twelve in each grade to ten in the seventh and fourteen in the eighth.

Our room has participated in several activities this year. We had a Christmas exchange in our room and presented an assembly program at Halloween time. The boys played a few basketball and base ball games with teams from other schools, and we are proud of our cheerleaders, the two sets of twins. One of our girls, Marjorie Hensel, is in the girls sextette and most of the girls are in the high school Girls' Glee Club with some of the boys in the Boys' Glee Club and several of our students in band and Orchestra.

The seventh and eighth grades have played a few basketball games among themselves dividing into 2 sides called the Red and Black. Sometimes they played during the day with the fifth and sixth grades. They played three times at night games. Their scores are:

Red 12	Black 9
Red 11	Black 8
Red 14	Black 9

Also the seventh and eighth grades have played a few basketball games with other teams. Their scores were as follows:

Morril 24	Mocker 9
Morril 39	Green Camp 10
Morril 18	Grand Prairie 10
Morril 28	Grand Prairie 15

The seventh and eighth grades have played some baseball games also. The scores were:

Morril 24	New Bloomington 13
Morril 16	Grand Prairie 15
Morril 5	Grand Prairie 8

GRADES 5 & 6

Last September the pupils of Grades 5 and 6 set out upon their nine-months journey of 1945 and 1946 through the books designated to their grades. Our hopes were high and our aims were to accomplish the tasks before us and to gain all the knowledge we could.

The process of doing this was by units of textbooks and projects of special work. New history books were introduced in each grade. We learned the beginning of our country and about a full grown nation. The sixth grade worked diligently to learn decimals, per cents, denominate numbers, areas, and volumes. The fifth grade enjoyed fractions, a bit of decimal, and measurements.

We used travel letters in grade five with our study of South America and United States possessions.

The room made a study of the U.S. flag, the Ohio Flag and the United Nations' Flag. Booklets were made by each pupil.

The Coca Cola Company furnished projects on steel, glass, cotton, and motion pictures for a study unit.

We enjoyed our Audubon Bird Club. We studied birds and their nests, had meetings in charge of the officers, programs in charge of committees, fed the birds around our homes, made houses and feeders, and left a bird picture to the room from our dues.

We gave an assembly program, helped in the Christmas operetta, gave our flag unit at the Farmers' Institute, and helped in the spring operetta. We enjoyed learning two and three-part songs.

All in all, we enjoyed our school term though we did have to work as well as play.

CHAPTER 3

Last September the party of October 1st and 2nd upon their nine-day journey of 1945-1946. Through the rocks designated to their studies. Our party was high and low in the mountains and the rocks were high and low in the mountains we could.

The purpose of this study was to make a collection of plants and animals. We were very lucky. In the mountains we found a lot of plants and animals. The plants were very different from the plants in the mountains. The animals were very different from the animals in the mountains. GRADES 3 & 4

School opened on September 4 with thirty-three boys and girls in the third and fourth grades. This was a larger number than we have had for several years and we had to have some new seats put in our room.

During the year we were sorry to lose Harry Lantz, Emma Burton, Loren Bunker, and Ruth Rough from the third grade. We welcomed Emma Piper and Lyle Murphy.

The fourth grade lost Lora Burton, Beverly Bunker, and Clair Hensel but gained John Craycraft.

Early in the year we made a visit to the railroad station. Some of us had never been in a railroad station and we found it very interesting. We wrote some stories about our visit.

We enjoyed two weeks vacation this year at Christmas time. One week was due to the influenza epidemic.

We have made several public appearances during this school year.

Our first was in October when we masked and sang a group of Halloween songs between acts at the Junior Class Play.

Our Christmas operetta "Legend of the Snowman" had to be given after Christmas vacation. We were proud to have two of the character parts chosen from our room. They were Jeannie Parker and John Forry. The rest of us were in the various choruses.

During January and February we worked on a group of songs which we sang at the Farmers' Institute.

Our last appearance was in the Spring Music Festival where we participated in the operetta "Peter Rabbit."

Six members of the Grade Orchestra are from our room and have taken part in several programs.

Since we were unable to have our Christmas party and gift exchange as we had planned we had a Valentine party. Barbara Koontz made us a pretty box for our valentines. Mrs. Rutter served refreshments.

This year, for the first time in several years we enjoyed having Good Friday as a holiday.

Since Easter came late in April the remaining days passed quickly. Soon we were starting on our summer vacation.

General. The first of the two main parts of the book is devoted to a description of the physical and chemical properties of the various types of polymers. This part is written in a clear and concise manner, and is suitable for use as a text book or as a reference work.

GRADES 1 & 2

The first Tuesday after Labor Day found 33 smiling boys and girls in the first and second grades.

During the year we lost two pupils. Pamela Schindler moved to Toledo and Warren Hensel to Green Camp.

We gained Richard Craycraft from Sciotoville, Jimmie Piper from Marion for the first grade, and Billie Piper entered the second grade.

We had an interesting reading program this year. The basic reading program throughout the country is the "Guidance in Reading" series. The first grade pupils read the following books: "Nip and Tuck," "Nip and Tuck at Play," "Bob and Judy," and "Good Times Together," and we read "Round About" and "Day in and Day Out" as supplementary readers.

In second grade we read the basic reader, "Friends About Us" and used the workbook. Also "Friends and Neighbors," "More Friends and Neighbors," "Friendly Village," and "Neighbors on the Hill."

Our specific aims for reading are to stimulate delight in reading for information and pleasure, and to develop ability in both oral and silent reading, to read with an independence and understanding and to form desirable reading habits.

Our room was severely hit by the "Flu" germ during December and January. In spite of our "flu" vacation and high percentage of absentees, we have worked hard and have completed our work.

Our room participated in the operetta, "The Legend of the Snowman" which we gave after Christmas. We were candy kids, imps, and tin soldiers.

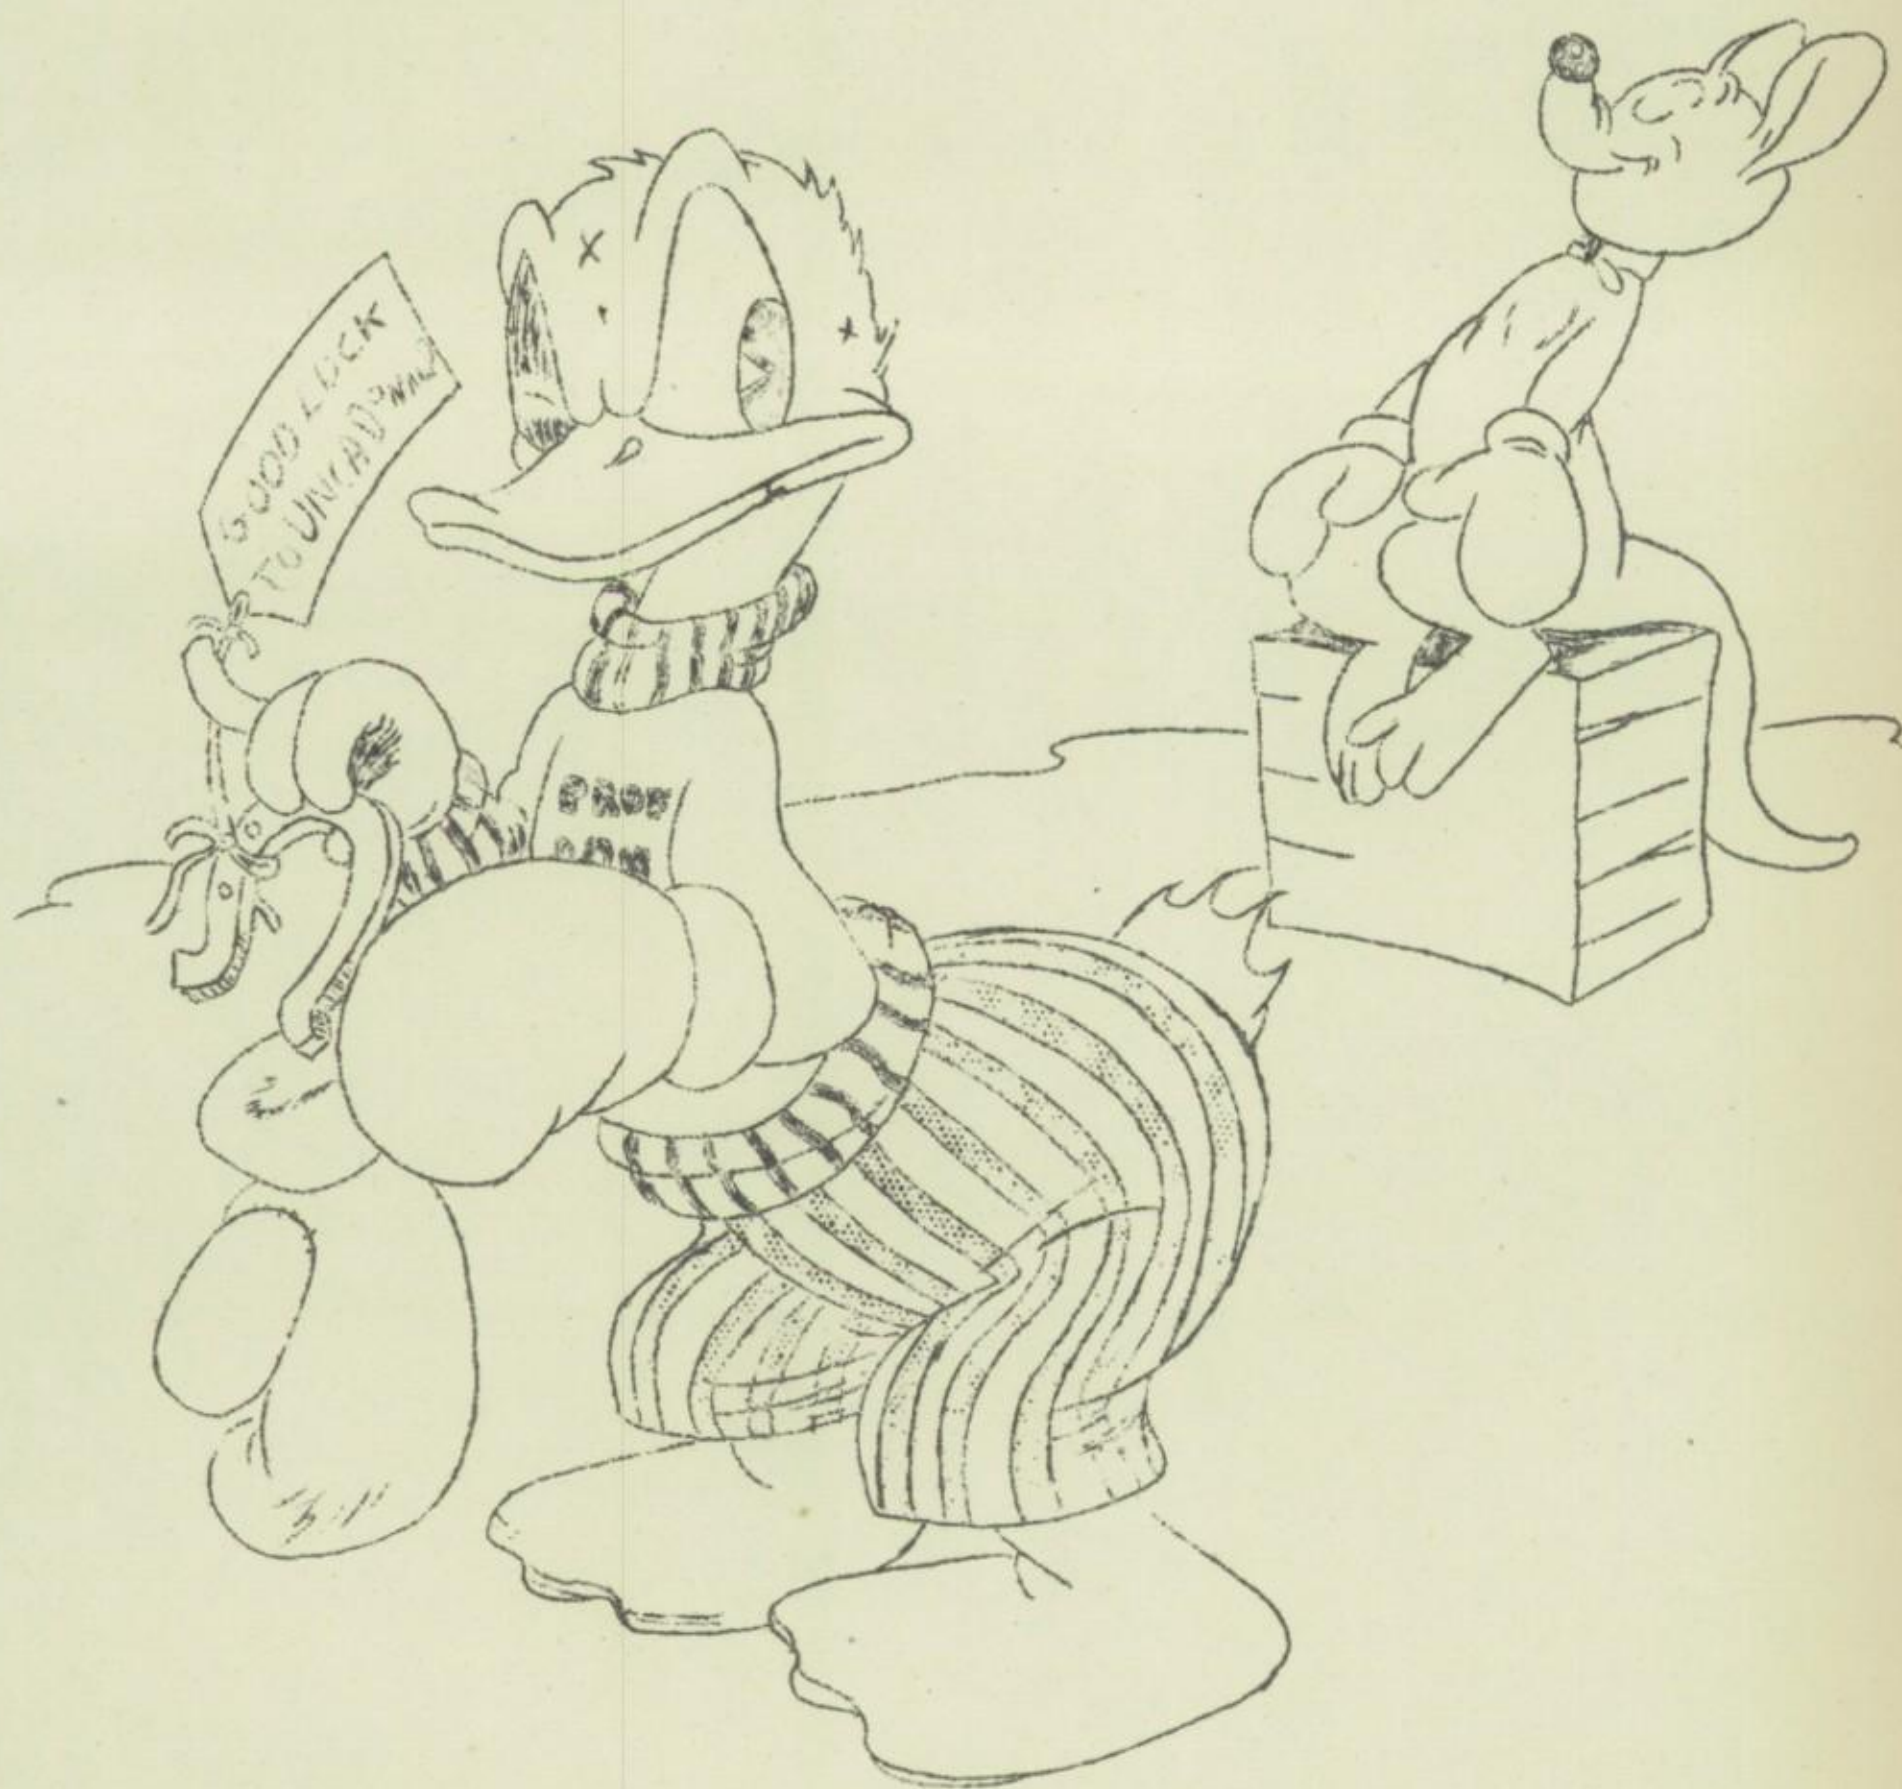

Two children in our room played instruments in the grade orchestra. Gene Moore from the first grade played the clarinet and Buddy Heller from the second grade played the saxophone.

We contributed to the Farmers' Institute program in February. We sang a group of songs, accompanied by Mrs. Hoover.

We had a Valentine box which Gene Moore and his mother made. It was crammed with many messages from Dan Cupid. Refreshments of Valentine cookies and chocolate milk were served.

The last events of school activities in which our room took part was the school music festival. At that time we helped present the operetta "Peter Rabbit."

SOFTBALL TEAMS

This year for the first time in the short history of M. H. S. the boys and girls enrolled in the great field of softball (and we do mean en-rolled.) The boys participated in the county softball league and the girls challenged the neighboring schools who, we now have reason to believe, were specialists in this great sport. Although both squads were unable to chalk up a single victory throughout the entire season, we might say they gathered a "moral" victory from each game.

Some of the outstanding features that will long be remembered by our never-tiring fans include:

The boys all fighting over who was to catch a fly.
Don Saxgon's (Superman) home run.
Dale Hensel trying his best to hit the ball left-handed.
Bill Darnell charging down the base----man!
Ray Cook's frantic scribblings as scorekeeper.
"Sure-Shot" Jack Lill, our shortstop, muffing an easy ground-
er.
Jim Conley, trying to decide whether to play first or second.
Howard Conley, our center fielder, trying to play with the
sun in his eyes.
Mary Radel with that sure-hold on the ball.
Dorothy Herbert, shouting remarks at "Ginny" on first.
Norma Christiansen, our star catcher without a mask.
Doris Newland pitching practically a no-hit game.
Gerry Gibb, our second Joe DiMaggio, getting angry at the
team for not playing like pros.
Ginny Pace, blowing up on first base.
Mr. Harrington's flawless umpiring.
Mr. McFarland trying to shout loud enough to make the field-
ers hear him.
And everyone still trying to win a game.

First Row: Don Saxton, Jim Conley, Dale Hensel, Mr. McFarlan, Lowell Hensel, Howard Conley, Pete Merritt.

Second Row: Bob Sloat, Ronald White, Gene Radel, Fred Baer, Bill Darnell Edward Schertzer, Wilbur Messenger, Lloyd Miner.

SQUAD REVIEW

The Morral players have improved much this year in many ways. With the exception of Dale, who is a senior, all of our boys have promising years ahead. If they keep on improving as they have this year Morral should have an outstanding team next year.

VARSITY

Dale Hensel: The only senior on the squad, a forward on the varsity standing 5' 10 $\frac{1}{2}$ ". Dale was second high-scoring man with 89 points. Dale is very good at faking the man and going around the man to a sucker shot.

Lowell Hensel: A junior and an all around player who saw most of his action as center. He is 5' 10" and has scored 61 points on mostly one handed shots. Lowell has another promising year on the varsity.

Pete Merritt: A junior and a fighting 5' 11" forward who had plenty of action on the varsity. He was high score man with 97 points. He fakes very well and makes many shots from the foul circle.

Jim Conley: A junior who saw much action as guard on the varsity. He is 5' 11 $\frac{1}{2}$ " and probably the best dribbler on the squad. He contributed 25 points to the seasons total.

Howard Conley: A junior who is our outstanding guard and long shooter on the varsity. He is 5' 9 $\frac{1}{2}$ " and has made a good percentage of his shots. He has made 24 points for the season.

Don Saxton: A junior and in his second year of basketball he has improved rapidly. A 5' 9" guard who is a good rebounder. He has another promising year ahead on the varsity.

Fred Baer: A junior who plays a very good game at guard. He is 5' 10" and a good rebounder. He is good at his onehanded shots. He has a total of 5 points to his credit.

Bill Darnell: A sophomore who plays a very good game at guard. He is 5' 10" and a good rebounder. He is good at one handed shots. He stacked up 12 points in the season. He plays center and has a promising year ahead.

Edward Schertzer: A junior who is 5' 10" and good on the one hand shot. He plays a forward position.

SECOND REVIEW

The first player was played much like a year in two ways. With the exception of his, who is a center, all of our boys have played in the same way. It is very hard to say how they have played in the past, but they have played in the same way.

THIRD REVIEW

Bill Hensley: The only player on the team who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Frank Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Tom Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Jim Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Alvin Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Don Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Ray Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Bill Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

Tom Hensley: A junior who is a center. He is 5' 10" and has played in the same way. He is a very good player and has played in the same way.

VARSITY CONTINUED

Gene Radel: A sophomore who plays a good game at forward. He is very good on the fast break and scored most of his points this way. He is 5' 9" and scored 19 points as his seasons total.

RESERVES

Jin Weston: A 5' 11" freshman who is a very active forward on the reserve squad. He scored 59 points as his total. He is very good on the left hand shot.

Vernon Neal: A 5' 9" junior who is an active forward on the reserve. He scored 68 points as a good total. He is very good on the fast breaks.

Jack Lill: A 5' 5" junior who is an active guard. He has scored 25 points. He shoots mostly long shots.

Roger Augenstien: An outstanding sophomore forward. He was high score man having 79 points to his credit. He hit many left hand hook shots.

Edward Faurot: A 6' junior who plays any position, but mostly center. He has a score of 13 points. He is good on the foul circle shot.

Paul Wiley: A 5' 10" junior who plays a guard position. He is good on the fake and has 1 point to his credit.

Freddie McCumber: A 5' 8½" sophomore who turned out to be an outstanding forward. He had a final total of 20 points.

Harold Miley: A 6' sophomore who plays a forward position. He has good years of basketball ahead of him.

Dickie Granlee: A 6' freshman who plays a guard position. He has 3 promising years ahead of him to improve and to go ahead for Morral.

Dick Baer: A 5' 9" sophomore who plays a fast game at guard. He is a good faker. He has 4 points to his credit.

VERSITY CONTINUED

Gene Habel: A sophomore who plays a good game as forward. He is very good on the fast break and scored most of his points this way. He is 5' 9" and scored 13 points in his attempt to...

RESERVES

Jim Weston: A 5' 11" freshman who is a very active forward on the reserve squad. He scored 33 points in his total. He is very good on the left hand shot.

Vernon Habel: A 5' 9" junior who is an active forward on the reserve. He scored 33 points in a good total. He is very good on the fast break.

Jack Lill: A 5' 8" junior who is an active guard. He has scored 22 points. He shoots mostly long shots.

Robert Anderson: An outstanding sophomore forward. He was high scorer and having 29 points in his credit. He hit many left hand back shots.

Edward Farnes: A 5' junior who plays any position, but mostly center. He has a score of 43 points. He is good on the left circle shot.

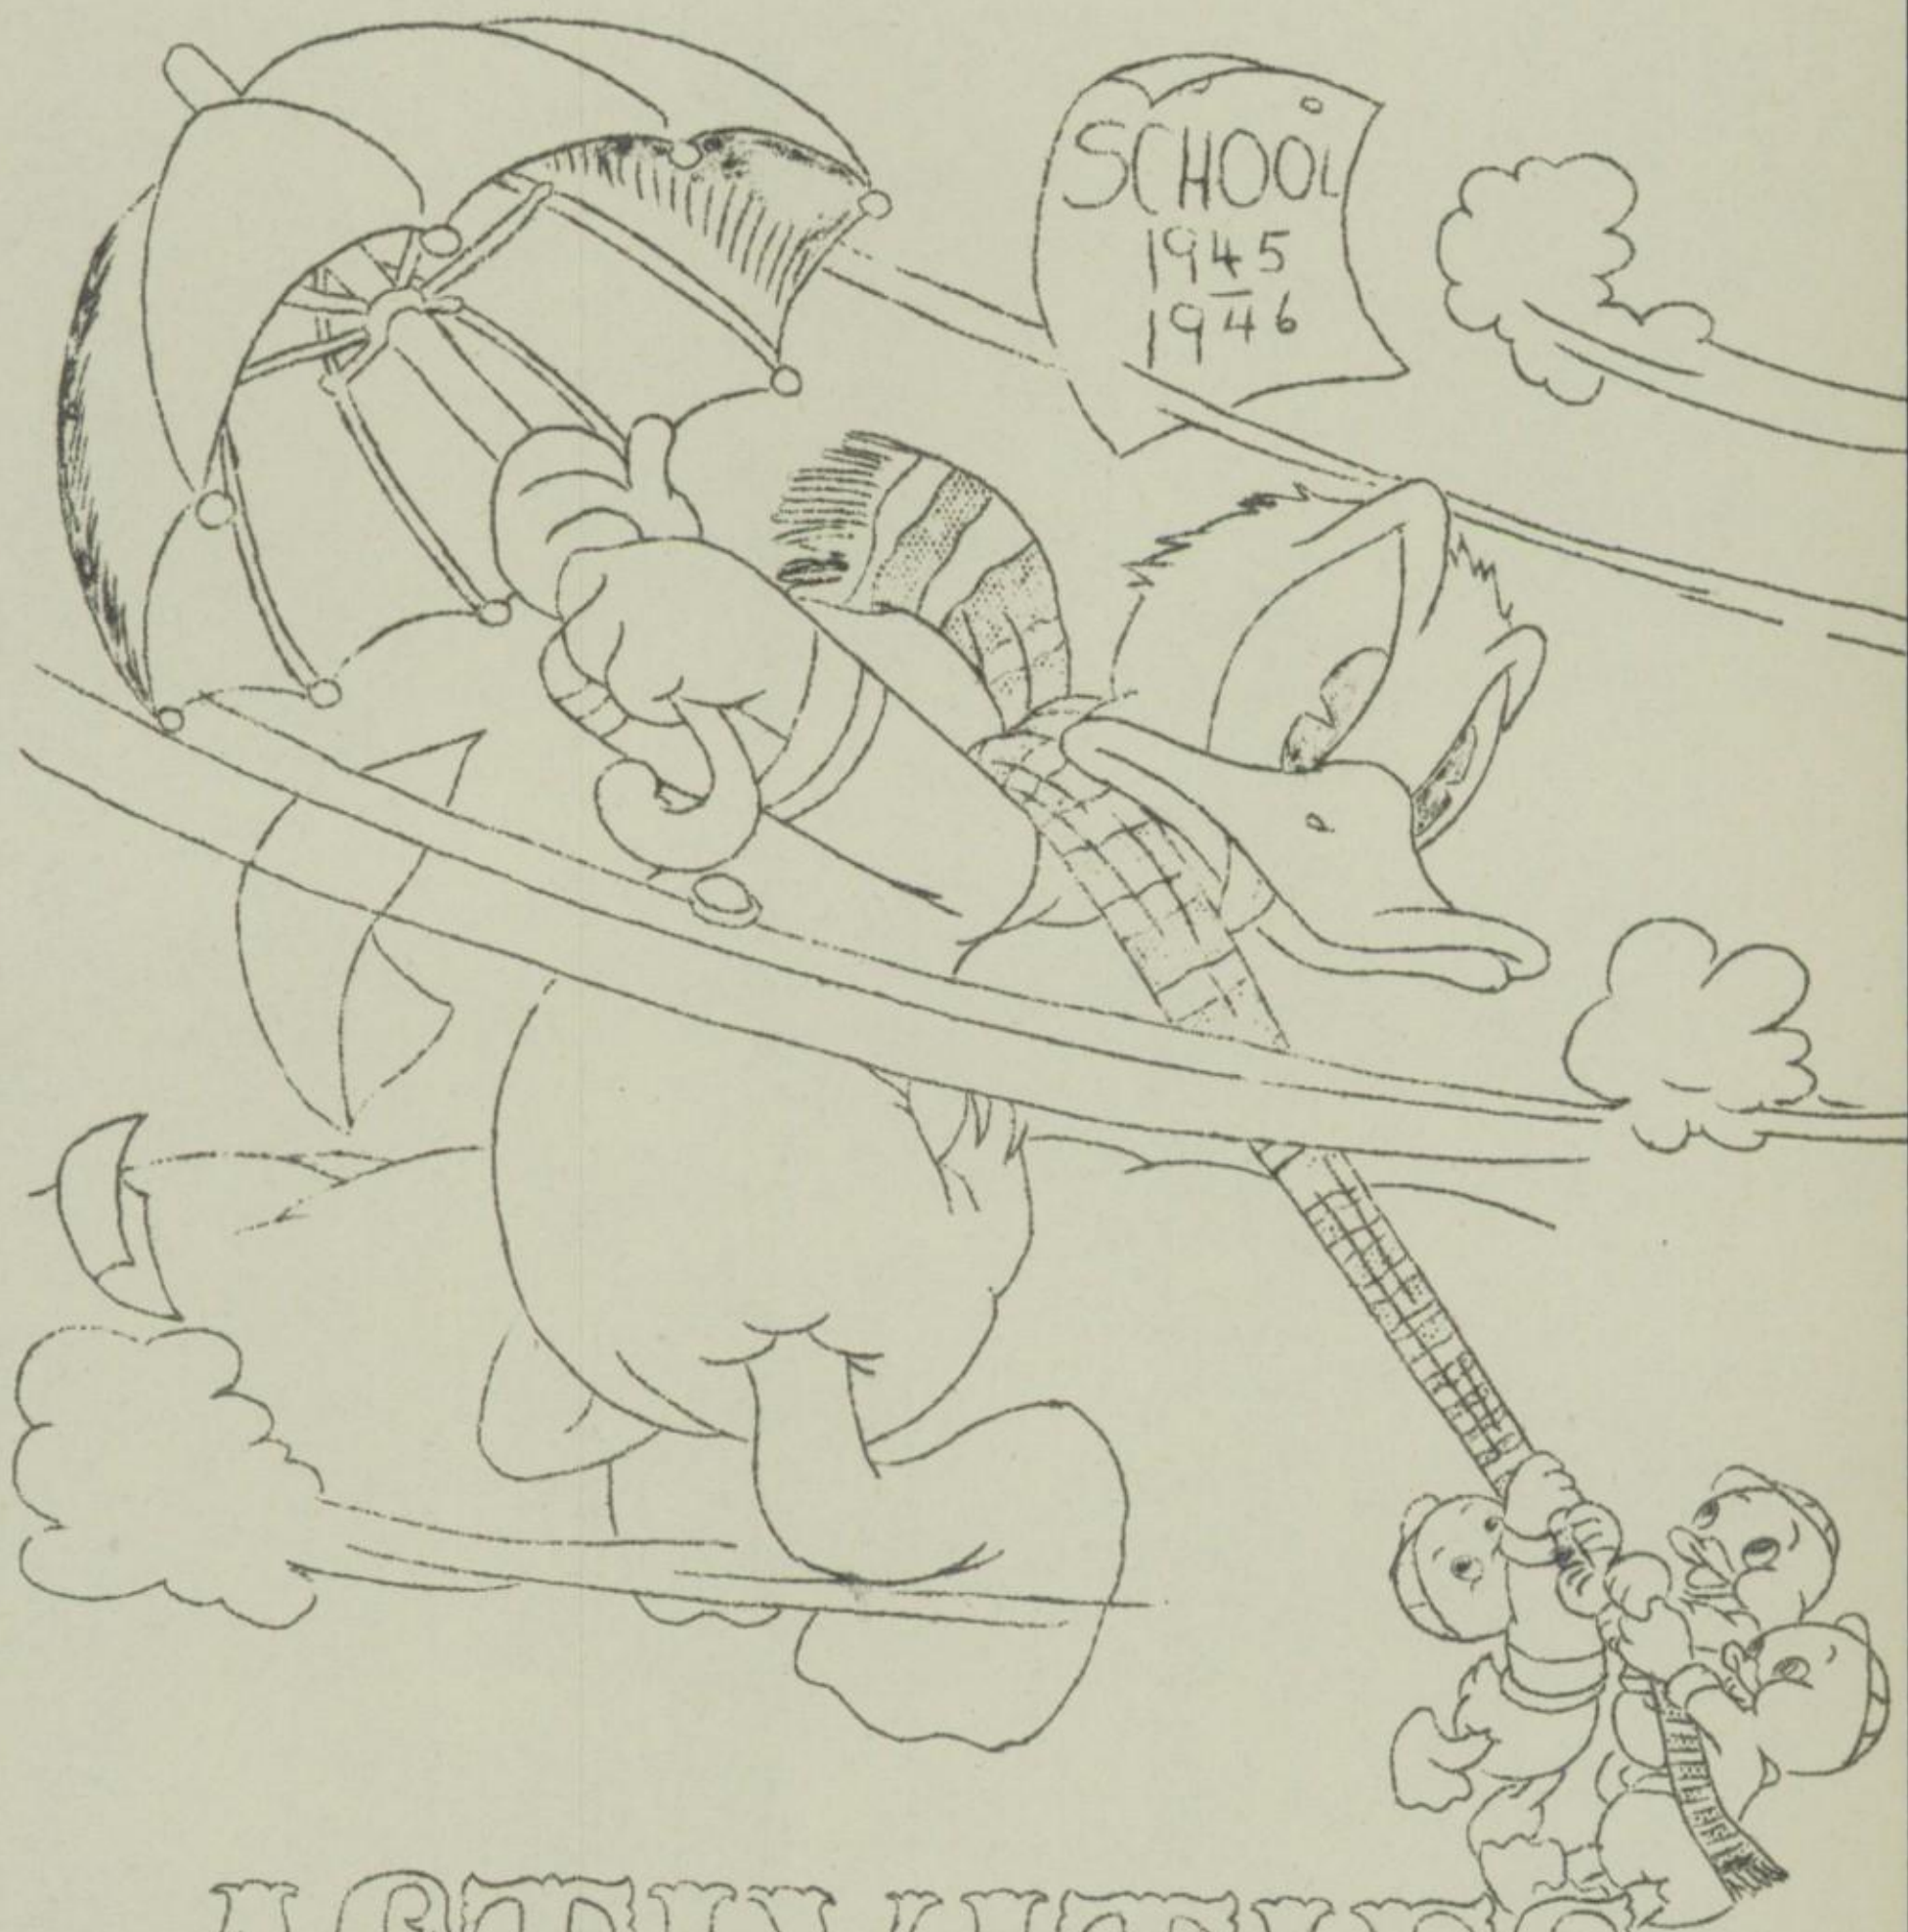

Paul Wiley: A 5' 10" junior who plays a guard position. He is good on the fast break and has 1 point in his credit.

Freddie McLaughlin: A 5' 8 1/2" sophomore who turned out to be an outstanding forward. He had a final total of 20 points.

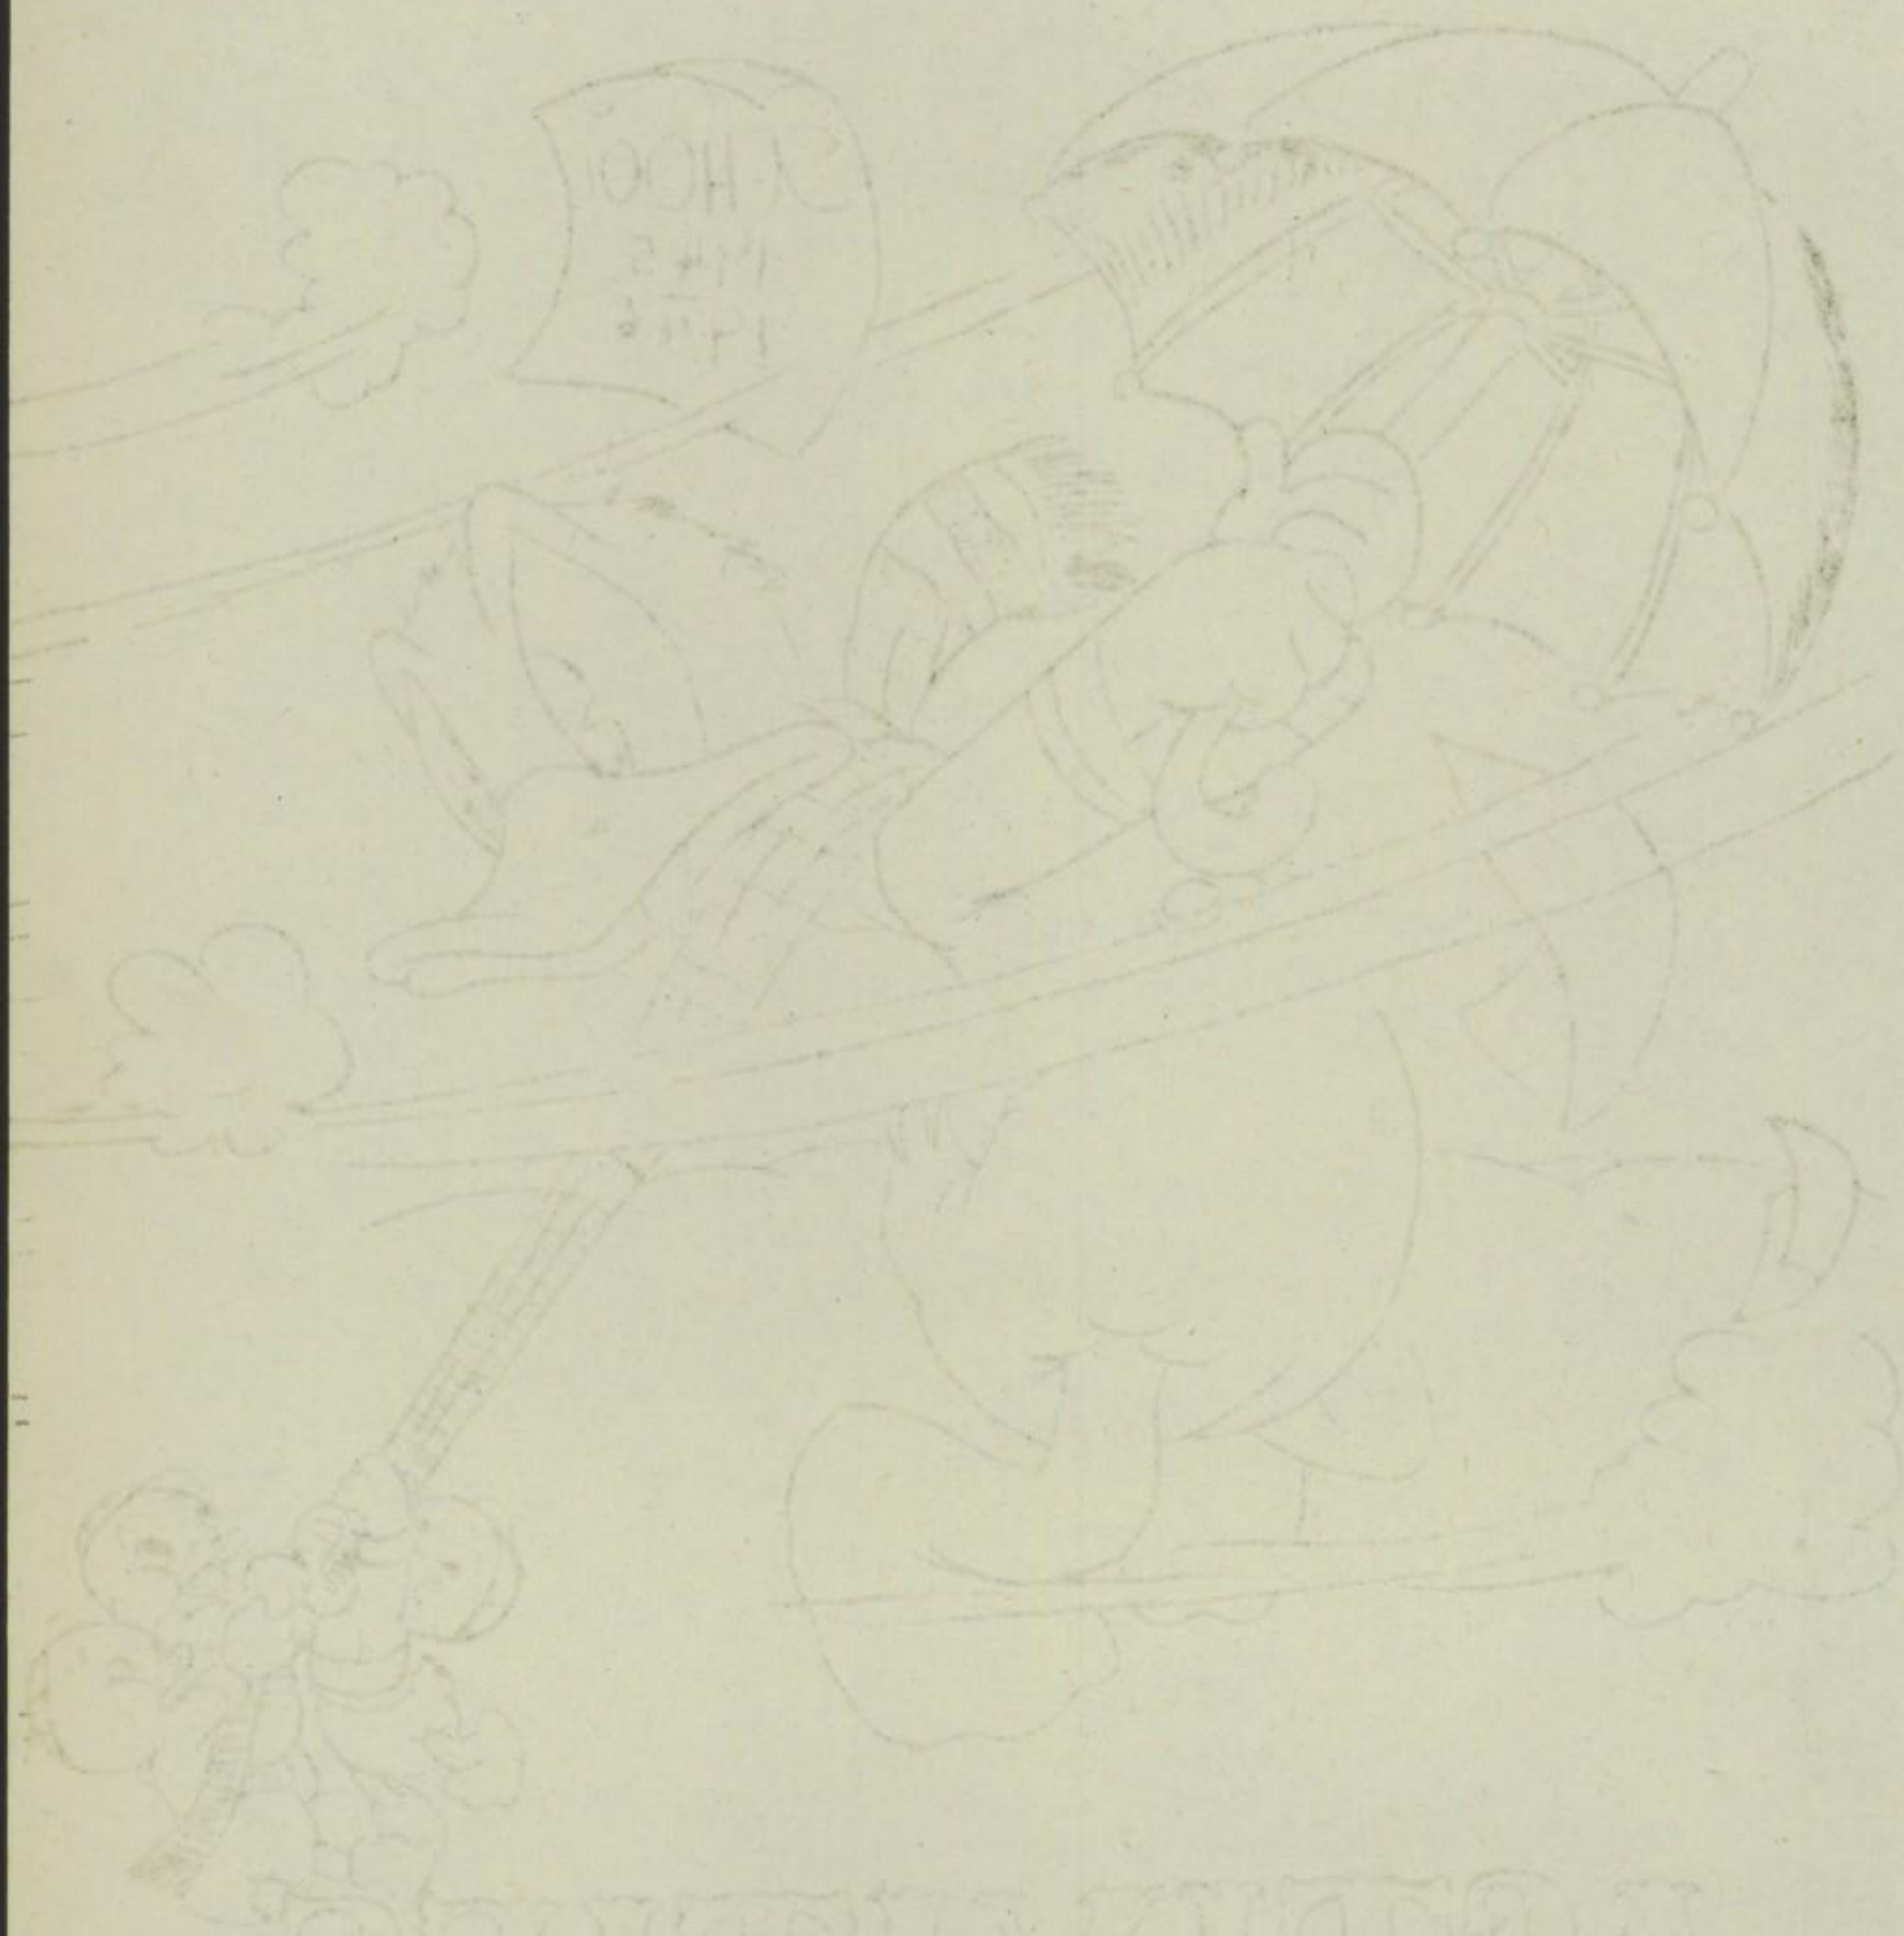

Harold Wiley: A 5' sophomore who plays a forward position. He has good years of basketball ahead of him.

Dickie Grimes: A 5' freshman who plays a guard position. He has 2 promising years ahead of him to improve and to go ahead for team.

Dick Britt: A 5' 3" sophomore who plays a fast game as guard. He is a good factor. He has 4 points in his credit.

GRADE ORCHESTRA

The Grade Orchestra is made up of sixteen members. This is a new music organization this year. Our purpose is to prepare these children for a better high school orchestra. Also gives us an opportunity of practical training. We have learned several songs and have performed at the Junior Play and the Farmer's Institute.

STUDENT COUNCIL

Pres	Norma Christiansen
Vice Pres	Jim Conley
Secretary	Gene White

The Student Council is an organization of three representatives from each high school class and the seventh and eighth grades. Our purpose is to promote the interests of the student, and plans to better and enliven our school system. We sponsored several activities including the Freshman initiation and party, the Halloween Party, and the Valentine Dance socialized dancing at the noon hour occasionally, and assembly programs presented by different classes.

We wish to thank Jane Bishop and Marilyn Metzger for their cooperation in making the dance programs which we used for our socialized dancing and we want to thank anyone else who has helped in making our year a success.

VALENTINE DANCE

On February 9 the Student Council sponsored a Valentine Dance in the gym. For the occasion most of the girls wore formals and some had very pretty corsages.

The gym was decorated by Mary Radel, Richard Granlee, and Norma Christiansen with the assistance of Mr. McFarlan. Red paper hearts and cupids were pasted on the walls, and red and white crepe paper was hung from the walls across the ceiling. In the south end of the gym several card tables were set up for refreshments. Our only lights were a few floor lamps among the tables.

Gerry Gibb and Dorothy Herbert served on the refreshment committee. They served ice cream, chocolate cake, coke and assorted nuts and candies.

GRAND-GRAND

The Grand-Grand is a new main organization in the city. Our purpose is to give the children for a better school environment. We have given us an opportunity of practical training. We have located several homes and have performed at the Junior High and the City's Institute.

The Orchestra is made up of fifty members this year. We have had an active year in many ways. We played at the Junior Play, the Christmas Program, the Farmer's Institute, the Senior Play and at Commencement.

We helped the band in its efforts to have uniforms by assisting in the Carnival and the magazine drive. This year we have a new system whereby we may earn a music letter by practising each week and appearing at each public performance.

We are proud of the advancement that the orchestra has made in the last three years and are looking forward to a better orchestra next year.

BAND ACTIVITIES

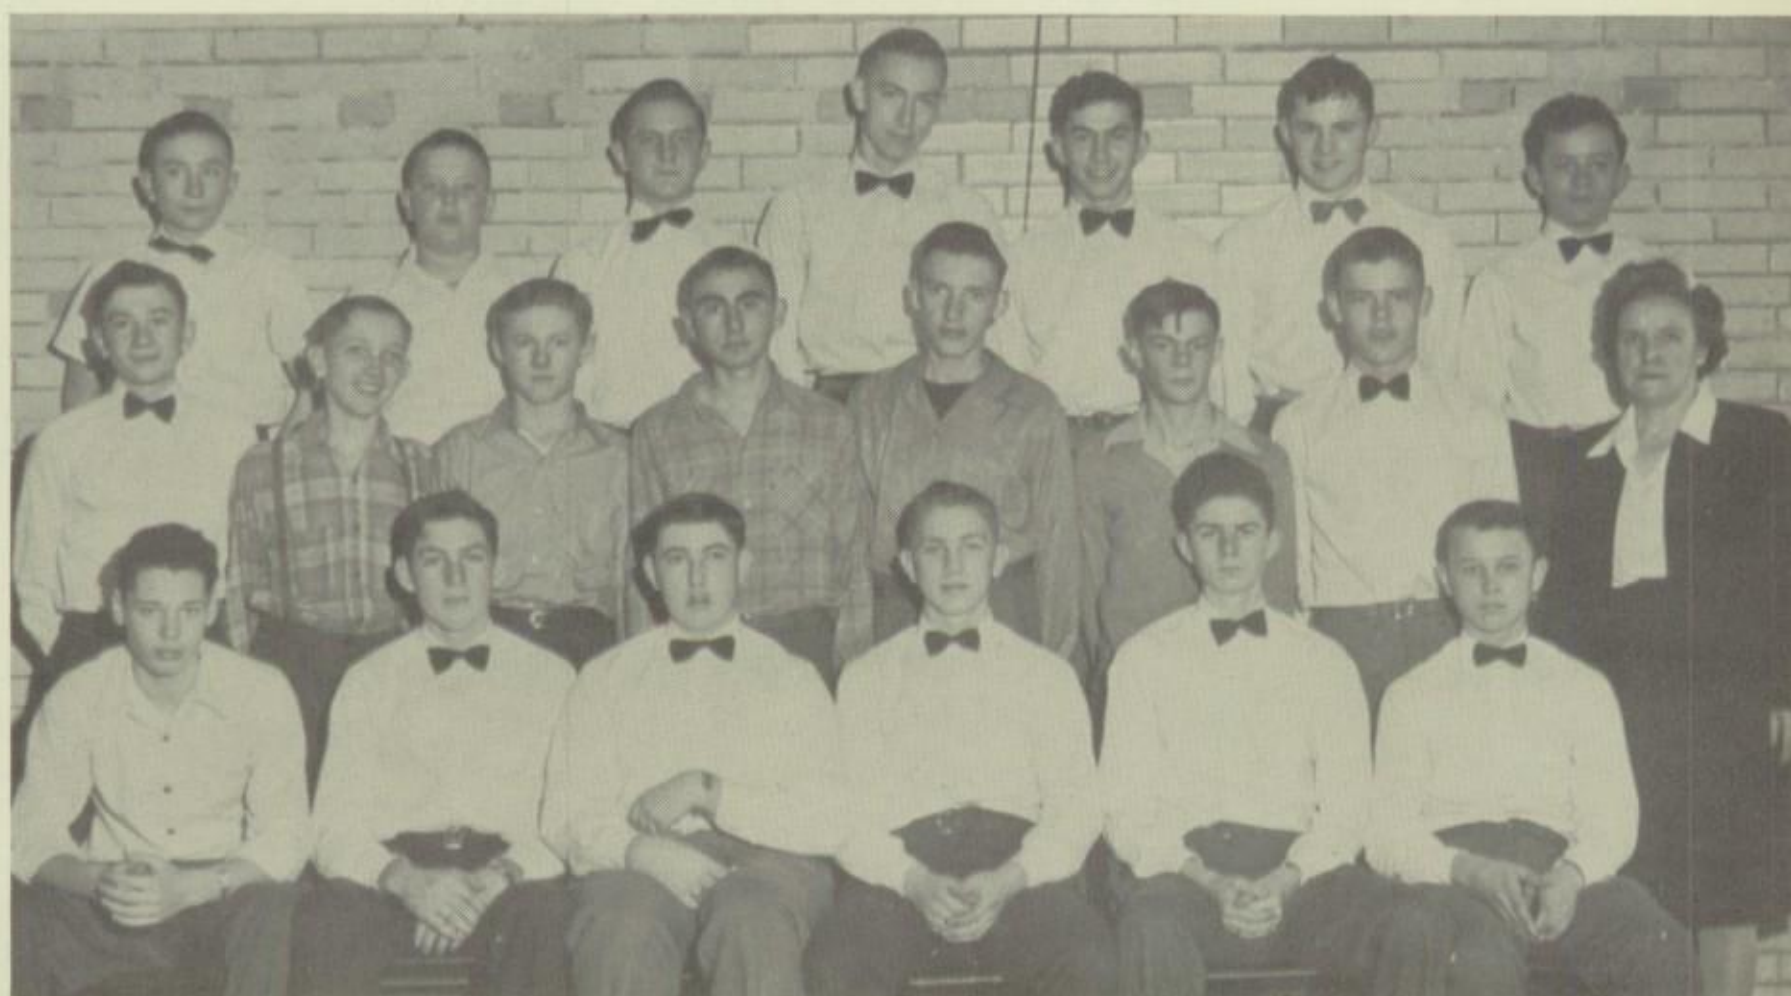

This year we have a new organization in our music department--the band. We organized at the first of the year with 33 members. We have worked to get quality into our playing before we become a marching band. Through the efforts of the community and the students, the band has been raising money for band uniforms. The students sponsored a carnival with each member of the band serving on a committee for some concession. The members also promoted a very successful magazine drive.

The band has played at the Junior Play, the Christmas Program, the Farmers' Institute, the Senior Play, and the Spring Festival. We are looking forward to the time when we will have uniforms and begin learning drills in parading.

BOY'S AND GIRL'S GLEE CLUBS

The Girl's Glee Club is made up of twenty seven members and the Boy's Glee Club has eighteen members. Both groups contain members from the high school who wish to join and a few from the seventh and eighth grades who are chosen by Mrs. Hoover. Both clubs have been very busy this year. The Girl's Glee Club presented a short operetta, "The Nifty Shoppe" at the Community Institute. Most of the girls in this operetta were models with a few speaking parts.

At the Spring Festival we offered a religious Easter Play "The Little Disciple". Many of our programs have been light, and amusing but this one was an uplifting, entertaining religious presentation, which we enjoyed giving as a different type of program.

The boys enjoy their forty-five minutes every week and have learned many entertaining songs. Perhaps the most interesting time of the year was our presenting a Minstrel at the Spring Festival. With a few "darkies", an interlocutor, and the rest of us in the back ground as the chorus, we held the interest of the audience with our jokes (that left a few faces red!), our negro dialect, and our "colored" songs. We ended the festival with a hilarious note that seemed to be enjoyed by everyone.

The Boy's and Girl's Glee Clubs have combined in doing several numbers. This seemed to be enjoyed by both boys and girls and gave us more experience in mixed chorus singing. We presented combined numbers at the Christmas Program and the Spring Festival.

Mrs. Hoover has organized another new music group, the mixed ensemble, consisting of six boys and six girls. This group has done very well for its first year and presented a few numbers at the Community Institute, Christmas Program, and the Spring Festival.

Last of all is the Girl's Ensemble. These twelve girls have presented many very beautiful songs and have learned to blend their voices very well. The girls in this group are: Norma Christiansen, Mary Radcl, Marjorie Hensel and Clarnel Newland, sopranos; Gerry Gibb, Thelma Neal, Bonnie Corwin, and Mildred Greene, second sopranos; Dorothy Herbert, Jane Bishop, Marilyn Hughes, Nancy Rutter, altos.

They have presented selections at the Christmas Program Spring Festival, County Music Festival, and at the Epworth Methodist Church.

BOY'S AND GIRL'S CLUB

The Girl's Club is held up at twenty seven members and the Boy's Club has thirteen members. Both groups are active in their work and are well known in the community. SPRING FESTIVAL

Every year in the spring the Music department presents a program of varied music for our entertainment. This year the program was divided into three parts.

The first six grades presented a very colorful operetta, "Peter Rabbit" with many groups singing and performing drills etc, during the acts. As a direct contrast to this performance the Girl's Glee Club sang the religious work, "The Little Disciple". Ending the program was a short and very amusing minstrel presented by the Boy's Glee Club. We aren't sure who enjoyed this minstrel more, the audience or the boys who presented it. The program ended with much laughter and applause climaxing a very successful evening.

COMMUNITY PARTIES

A new and successful organization this year has been the Community Get-Togethers. The purpose of this organization is to bring about a better understanding between the parents and teachers and to encourage more friendly relationships in the entire community.

The president of this undertaking, Mr. Clyde Forry, has worked hard to make these parties profitable. These meetings are held the first Monday night of each month with the men and women alternating the task of planning the entertainment.

Each program is divided into the business session touching any problem or suggestion that may come up concerning the community's interest in the school, a short entertaining program, games or some form of recreation and the serving of refreshments.

THE HALLOWEEN PARTY

On November 2, a Halloween party was held in the school gym. As we first came to the party there were individual games around the gym for us to play while the rest of the crowd was coming. After everyone had arrived we played several group games and then went on a "treasure hunt". It was too bad that all of us couldn't have found the treasure because it was several delicious candy bars. We returned to the school and square danced for awhile and then topped off the evening with some very welcome refreshments.

SPRING FESTIVAL

Every year in the spring the inside department presents a program of varied music for our entertainment. This year the program was divided into three parts.

The first six pieces presented a very colorful story, "The Little Red Riding Hood". The first three pieces, "The Little Red Riding Hood", "The Wolf and the Lamb", and "The Wolf and the Seven Little Kids", were presented by the boys' choir. The next two pieces, "The Wolf and the Lamb" and "The Wolf and the Seven Little Kids", were presented by the girls' choir. The program ended with a song, "The Wolf and the Lamb", which was very successful.

COMMUNITY PARTY

A new and successful organization this year has been the Community Party. The purpose of this organization is to bring about a better understanding between the people of the community and to encourage more friendly relations between the people of the community.

The program of this organization, the Community Party, was held in the school. The first part of the program was a play, "The Little Red Riding Hood". The next part was a song, "The Wolf and the Lamb". The program ended with a song, "The Wolf and the Seven Little Kids".

CHRISTMAS PROGRAM

This year just at Christmas time our school was visited by that unwelcome visitor, the "flu bug". Since many of our characters were ill with the flu and school was closed the week before Christmas, our Christmas operetta, "The Legend of the Snowman" was given after Christmas vacation on January 3. The operetta was a success inspite of the difficulties in presenting it. The main characters were: John, a very selfish boy, Johnny Forry, Mary, his unselfish sister, Jeannie Parker, a poor news boy, Gail Buckley and the snow man, Don Loudenslager. The other students from the first six grades made up the other "group" characters.

Music between acts was presented by the Girls' and Boys' Glee Clubs, the group of twelve girls, and the mixed ensemble.

THE CARNIVAL

The pupils of the music department under the direction of Mrs. Hoover conducted a carnival November 14 to raise money to help in buying band uniforms.

Committees were appointed to take charge of different concessions such as the ring toss, weight guessing, a fish pond, fortune telling, etc. Also a queen was chosen for the Carnival. Anyone was entitled to vote for his favorite contestant. Those competing were Jacqueline Harris, Dorothea Jean Fetter, June Fox, Lois Saxton, Dorothy Herbert, and Norma Christiansen. At ten o'clock Dorothea Jean Fetter was the lucky one to be crowned as queen.

A cafeteria lunch was served by the parents of the band members which started at six o'clock and lasted until all concessions were closed. A few cakes, pies and other dishes were left which were auctioned off to the highest bidder by Mr. Harrington.

The crowd of people that came and went during the evening seemed to enjoy the food, and concessions and the evening also netted a tidy sum of money for the music treasury toward the buying of band uniforms.

The Future Farmers of America have a total of twenty five in membership. One must have had at least one year of vocational agriculture to become a member. The first outstanding event of the year was the initiation of the "Green Hands" on October 9. Later we participated in parliamentary procedure at the Farmer's Institute to gain practice in order to receive a good grade in the District contest, held at Ashley. Other activities were shopwork, a study of livestock, and work on individual projects and project records.

Pat was asleep when he was awakened by Mike shouting, "The Germans are charging! Wake Up!" How many are there," shouts Pat. "About 50,000" says Mike. "Begorra", shouts Pat, jumping up and grabbing his rifle, "our fortune's made!"

*

Mildred: "Now, what are we stopping for?"

Dale: "I've lost my bearings."

Mildred: "Well at least you're original; most fellows run out of gas."
